GOVERNMENT OF GOA

Department of Industries

Order

3/41/2006-IND

Read: Government of Goa's Policy on SEZ Goa SEZ Policy, 2006 published in the Official Gazette Series I No. 15 dated 13th July, 2006.

In pursuance of Cabinet decision taken on 15-6-2009, Government of Goa hereby withdraws the Goa Special Economic Zone (SEZ) Policy, 2006 with immediate effect.

By order and in the name of the Governor of Goa.

B. S. Kudalkar, Under Secretary (Industries).

Porvorim, 6th July, 2009.

Department of Labour

Inspectorate of Factories & Boilers

Notification

VI/FAC -6/(L-1 Part)/IFB-2009/698

Whereas certain draft rules to amend the Goa Factories Rules, 1985, were published as required by section 115 of the Factories Act, 1948 (Central Act No. 63 of 1948), in the Official Gazette, Series I No. 50 dated 12-3-2009 under Notification No. VI/FAC -6/(L-1 Part)/IFB-2009/3511 dated 2-3-2009 of the Inspectorate of Factories & Boilers, inviting objections and suggestions from all the persons likely to be

affected thereby within forty-five days from the date of publication of the said Notification in the Official Gazette.

And whereas the said Gazette was made available to the public on 12-3-2009;

And whereas no objections and/or suggestions have been received from the public on the said Rules by the Government within the said period.

Now, therefore, in exercise of the powers conferred by section 112 of the Factories Act, 1948 (Central Act No. 63 of 1948), and all other powers enabling it in that behalf, the Government of Goa hereby makes the following rules so as to further amend the Goa Factories Rules, 1985, namely:—

1. **Short title and commencement.**— (1) These rules may be called the Goa Factories (Eleventh Amendment) Rules, 2009.

(2) They shall come into force at once.

2. **Amendment of rule 6.**— In rule 6 of the Goa Factories Rules, 1985 (hereinafter called the "principal Rules"), in sub-rule (2), for the existing Schedule, the following Schedule shall be substituted, namely:—

"SCHEDULE

SCALE OF FEES PAYABLE FOR LICENCE AND ANNUAL RENEWAL OF LICENCE BY FACTORIES

Quantity of H. P. Installed (Maximum H.P)	MAXIMUM NUMBER OF PERSONS TO BE EMPLOYED ON ANY DAY DURING THE YEAR									
	Upto 9	From 10 to 20	From 21 to 50	From 51 to 150	From 151 to 250	From 251 to 500	From 501 to 1000	From 1001 to 2500	From 2501 to 4000	4001 and above
	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.
Nil	—	188	375	1500	2250	4500	9000	18000	27000	36000
Upto 10	300	600	1125	3000	4500	6750	13500	27000	36000	45000
Above 10 but not above 50	450	1050	1875	4500	6750	9000	18000	33750	41250	49500

Above 2000	10500	14250	24750	29250	36000	49500	63000	72000	81000	90000".

3 *Amendment of rule 90-O.*— In rule 90-O of the principal Rules, in sub-rule (2), after the expression "Diploma in Occupational and Industrial Health offered by any recognised University", the expression "or three months certificate course in Associate Fellow of Industrial Health offered by the Directorate General of Factory Advice Services and Labour Institute (DGFASLI) Mumbai" shall be inserted.

4 *Insertion of new rules 90 U and 90 V.*— After rule 90 T of the principal Rules, the following rules shall be inserted, namely:—

" 90 U. *Safety precautions for Thermic Fluid Heaters.*— (1) In respect of any factory where thermic fluid heater has been installed (hereinafter called "heater"), the following provisions shall be complied with:—

(i) All heaters shall be of such construction that, the coils shall be removable for periodic cleaning, visual inspections and hydraulic test.

(ii) Suitable arrangements shall be made for cooling the furnace effectively in case of power failure to the heater.

(iii) Before restarting the furnace of heater it shall be effectively purged.

(iv) The thermic fluid used for heater shall be circulated in a closed circuit formation with an expansion cum deaerator tank. This tank shall be located outside the shed where the heater is installed.

(v) Every Oil or Gas fired heater shall be provided with a photo-resistor actuated audio visual alarm to indicate flame failure and automatic burner cut-off.

(vi) The stack temperature monitor-cum-controller with audio-visual alarm shall be provided to the heater so as to warn the operator in case the outlet temperature exceeds the specified minimum.

(vii) All heaters shall be provided with following devices and the same shall be maintained in efficient working order.

(a) level indicator in the expansion tank;

(b) temperature indicator of thermic fluid;

(c) different pressure switches across the inlet and the outlet line of the heater tubes; and

(d) temperature control device for the fuel supply to the burner.

(viii) All devices mentioned in clause (vii) above for oil or gas fired heater shall have inter-locking arrangement with burner so that in case of any pre-determined limits being crossed the supply of fuel and air to burner shall automatically be cut-off.

(ix) All safety inter-locks when operated shall be indicated on the control panel of the heater by a suitable audio-visual alarm.

(x) Electrical panel for the heater shall be located near the heater but not so close as to be exposed to spilling or leaking oil.

(xi) The heater shall be located in a place segregated from other manufacturing activities.

(xii) Explosion vent for heater shall be so installed that, the release takes place at safe location.

(xiii) The heater coil including the coil connected to it in the users' equipment subjected to pressure shall be tested by competent person once atleast in every 12 months. The test pressure shall not be less than twice the operating pressure.

(xiv) If repairs are carried out to the heater, coil including coil connected to it

in users equipment shall be got examined from competent person before taking it into use.

(xv) Maximum temperature of thermic fluid in the heating of heater coil shall not exceed the figure specified by the manufacturer. The thermic fluid used in heater, shall conform to the specifications prescribed by the manufacturer and shall be tested by competent person for suitability, atleast once in every three months period. Such test shall include test for acidity, suspended matter, ash contents, viscosity and flash point.

(xvi) Cleaning of the internal surface of the heater for removing soot and check up the refractory surface on the inside shall be carried out every month, or as often as required depending upon working conditions. The coils of heater shall be removed and surface of the coil cleaned thoroughly once at least in a period of six months. The burner, nozzles, oil filters and pumps shall be cleaned once a week during the period of use.

(xvii) A separate register containing the following information for the heater shall be maintained:-

(a) weekly checks carried out confirming the effectiveness of the inter-lock;

(b) weekly checks confirming that all accessories are in good state of repairs; and

(c) information regarding fuel oil temperature, pressure, thermic fluid inlet/outlet pressure and temperature, fuel gas temperature, recorded at four hourly interval.

(xviii) The heater when in operation shall always be kept in charge of a training operator.

(2) If the Chief Inspector is satisfied that all or any of the provisions of this rule are not

necessary for the protection of the person employed in a factory, he may, by a certificate in writing exempt such factory from all or any of the provisions, specified in sub-rule (1) on such conditions as he may deem fit. Such certificate may, at any time, be revoked by the Chief Inspector without assigning any reason.

90-V. Driers and Ovens . -

(1) *Application.* - This rule shall apply to Ovens and Driers, except those used in Laboratories or Kitchens of any establishment and those which have a capacity below 325 litres.

(2) *Definitions.* - For the purposes of this rule, "oven and drier" means any enclosed structure, receptacle, compartment or box used for baking, drying or otherwise processing any article or substance at a temperature higher than ambient temperature and in which explosive mixture or air and flammable substance is likely to be evolved on account of baking, drying or otherwise processing any article or substance within it.

(3) *Location.* - Every oven or drier shall be located,-

(a) at a place so as to ensure that the exposure of the employees to the injury from fire, explosion, asphyxiation and toxic materials shall be minimum;

(b) in such a way that it does not obstruct personnel travel or exit ways;

(c) at a safe distance from dip-tanks, spray booths and storage rooms or areas of flammable substances.

(4) *Separate Electrical Connection.* - Electrical power supplied to every oven or drier should be by means of a separate circuit provided with an isolation switch.

(5) *Safety Ventilation.* - (a) Positive and effective safety ventilation shall be provided to ensure that concentration of flammable substance in air does not exceed 25 per cent. of its lower explosive limit (LEL);

(b) Concentration of 50 per cent. LEL may be allowed if,—

(i) flammable substance in the drier or oven is continuously monitored;

(ii) an alarm is sounded if concentration reaches a level of 50 per cent. of LEL; and

(iii) heating system is shut off when the concentration reaches 60 per cent. LEL;

(c) A portion of the throttling dampers shall be permanently cut to ensure minimum safety ventilation when set in maximum throttling position.

(6) *Explosion Panels.*— Explosion Panels shall be provided on the Driers or Ovens to allow release of pressure of any possible explosion. Areas of opening of such vents shall not be less than 2200 sq. cms. for every one cubic metre of Drier or Oven. Complete release of pressure shall be secured under an internal pressure of 0.25 kg./sq. cm.

(7) *Interlocking arrangements.*— Electrical heating system shall not be started unless ventilating or circulating fans are put 'ON' and failure of ventilating or circulating fan shall result in automatic cut-off of the electrical supply to the heaters.

(8) *Temperature Control.*— Every drier or oven shall be provided with an automatic arrangement to cut-off electrical supply to the heaters when the temperature exceeds the pre-set value in respect of the particular processing conditions.

(9) *Periodical examination, testing and maintenance.*— (i) All parts of driers and ovens shall be thoroughly examined and properly maintained, various controls and working of the drier or oven shall be tested, at frequent intervals, to ensure its safe operation, by a responsible person of the factory.

(ii) A register showing various tests examinations carried out, from time to time shall be maintained and every entry shall be signed by the responsible person.

(10) Metal frames of driers or ovens shall in all cases be electrically grounded throughout for the safe removal of electrical charges.

(11) No worker shall be assigned any work connected with operation of drier or oven unless he is properly trained in combustion of fuel air mixtures, explosion hazards, sources of ignition and ignition temperature, functions of control and safety devices, etc.

(12) Driers or ovens containing or processing sufficient combustible materials to sustain a fire shall be equipped with adequate fire protection system.

(13) The user's shall check the type and amount of solvent entering the drier or oven to assure that solvent loading does not exceed the capacity of the oven or drier exhaust system,".

By order and in the name of the
Governor of Goa.

S. M. Paranjape, Chief Inspector of Factories
& Boilers & ex officio Joint Secretary.

Paraji, 7th July, 2009.

Department of Revenue

Notification

16-7-2008/RD

The following rules which are proposed to be made are hereby pre-published as required by sub-section (3) of section 199 of the Goa Land Revenue Code, 1968 (Act No. 9 of 1969), for information of the persons likely to be affected thereby and notice is hereby given that the said rules will be taken into consideration by the Government on the expiry of fifteen days from the date of publication of this Notification in the Official Gazette.

All objections and suggestions to the said rules may be forwarded to the Secretary to the Government of Goa, Revenue Department, before the expiry of the said period of fifteen days so that they may be taken into consideration at the time of finalization of the proposed rules.

DRAFT RULES

In exercise of the powers conferred by section 199 of the Goa Land Revenue Code, 1968 (9 of 1969) and all other powers enabling it in this behalf, the Government of Goa hereby makes the following rules so as to further amend the Goa, Daman and Diu Land Revenue (Conversion of use of land and non-agricultural assessment) Rules, 1969, namely:—

1 Short title and commencement.— (1) These rules may be called the Goa Land Revenue (Conversion of use of land and non-agricultural assessment) (Amendment) Rules, 2009.

(2) They shall come into force at once.

2 Amendment of rule 3.— In the Goa, Daman and Diu Land Revenue (Conversion of use of land and non-agricultural assessment) Rules, 1969 (hereinafter referred to as the "principal Rules"), in rule 3, the following shall be added at the end namely:—

"The applicant shall produce a zoning certificate from the Town and Country Planning Department".

3 Amendment of rule 4.— In rule 4 of the principal Rules, in sub-rule (1),— (i) clause (c) shall be omitted;

(ii) in clause (e),—

(a) for the expression "jurisdiction of a Municipal Council", the expression "jurisdiction of a Municipal Council or a Municipal Corporation" shall be substituted;

(b) for the expression "approved by the Municipal Council", the expression "approved by the Municipal Council or the Municipal Corporation, as the case may be" shall be substituted;

4 Amendment of rule 5.— In rule 5 of the principal Rules, after the expression "change of use of land is", the expression "deemed to have been" shall be omitted.

5 Amendment of schedule II.— In schedule appended to the principal Rules, the condition 4 shall be omitted.

By order and in the name of the
Governor of Goa.

D. M. Redkar, Under Secretary (Rev-I).

Porvorim, 9th July, 2009.

Department of Social Welfare

Notification

DSW/STAT/TSP/14/08-09

Government of Goa is pleased to make the following Scheme and is hereby published for general information of public, which shall come into force with the date of publication in the Official Gazette.

By order and in the name of the Governor of Goa.

N. B. Narvekar, Director of Social Welfare & Joint Secretary (Social Welfare).

Panaji, 15th July, 2009.

“TRANSPORT SUPPORT TO SCHEDULED TRIBE CHILDREN” (TSSTC) SCHEME

1. *Objective of the Scheme.*— The objective of this scheme is to provide transport facilities and support to the Children of the Scheduled Tribe Community who have their residential places in the remote areas from Taluka places and District Headquarters in the State of Goa;

By introduction of this Scheme the efforts are being made to have accessibility to the better education facilities by the Children of the Tribal Community of this State;

With this scheme it is sought to achieve an objective of arresting the rate of dropout among the school going children and enhance the reception capacity of the quality education.

2. *Target.*— This scheme would help to create an opportunity to the Scheduled Tribe Children to enhance their inbuilt instinctive quality. This Scheme sought to draw the Children from the remote and isolated places into the mainstream of the society and support them to shed the withdraw type of attitude.

3. *Funding Pattern.*— (1) The Director of Social Welfare is the Authority for funding and implementation of this Scheme;

(2) This scheme will be funded through the budget allocation earmarked under Tribal Sub-Plan (TSP) in term of relevant article of the constitution of India.

4. *Eligibility.*— (1) Institutions catering substantially to educational need of Children of ST Community shall be eligible for coverage. The responsibility of ascertaining whether the institution predominantly covering Children of ST Community shall be that of the Directorate of Social Welfare

(2) All the Government aided and Private Schools/Colleges established in the State of Goa be eligible to operate this scheme for the benefit of the Children of the Scheduled Tribe;

(3) Any School or College where there are at least 10% of the total strength of students is belonging to Scheduled Tribes can make an application with details of ST students in the prescribed format (Annexure-I) appended to the scheme;

(4) The areas/points identified by the Institution should necessarily be the places where the concentration of the ST population is relatively dense. The School/College Authority will identify the areas/points from where the bus should ply through to give maximum benefit to ST;

(5) Kadamba Transport Corporation Ltd. is also eligible to avail benefit under this Scheme: Provided that the Vehicles/Buses sanctioned to Kadamba Transport Corporation Ltd., shall be deployed on the routes where Scheduled Tribes population is predominantly inhabited.

5. *Sanction and Release of Funds.*— (1) Director of Social Welfare on receipt of the application shall verify the particulars submitted by the Applicant School/College Kadamba Transport Corporation Ltd., through the Officer of his Department not below the rank of Assistant Director of Social Welfare and forward the said application to the Sanctioning Committee for consideration.

6. *Sanctioning Committee.*— (1) The Committee shall comprise of:

- (i) Minister for Social Welfare
- (ii) Director of Social Welfare
- (iii) Assistant Director (Welfare of Disabled).

(2) The Sanctioning Committee on being satisfied about the details submitted will approve release of funds for purchase of Bus/Mini Bus to the applicant Institution.

7. Recurring and non-recurring grants.— (1) Director of Social Welfare shall release the grant to the authorized dealer for purchase of vehicle in the name of the Organization based on the quotation produced by the Organization. On receipt of Payment from Director of Social Welfare, the Authorized dealer shall deliver the vehicle to the grantee institution, and the concerned institution shall submit Utilization Certificate in the prescribed format to the Director of Social Welfare

(2) In addition to the one time grant towards the actual cost of the bus; not exceeding Rs. 11.00 lakhs (Rupees Eleven lakhs only) and an amount of Rs. 3,000/- or actual whichever is less towards registration of the Vehicle. The Social Welfare Department shall provide recurring grant for operational and maintenance purpose.

(3) Under the Scheme one post of Driver with a fixed honorarium of Rs. 10,000/- per month and one post of Attendant/Cleaner with honorarium of Rs. 5,000/- per month shall be sanctioned by the Directorate of Social Welfare. (Not applicable to Kadamba Transport Corporation Ltd.).

(4) The Driver and Attendant/Cleaner of the bus shall take utmost care that the Children are duly protected from any eventualities and disturbances. During night times the bus shall be parked near the respective School Building and the watchman of the School or College as the case may be informed and advised to keep watch on it.

(5) The attendance of the Driver and Attendant/Cleaner has to be ascertained by the School/College Authority at which they are placed.

(6) They (Driver and Attendant/Cleaner) shall sign the muster roll maintained by School/College and at every month end the Headmaster/Principal of School/College shall issue certificate to release their salary to the Director of Social Welfare

(7) The recurring grant shall include expenses towards P.O.L. (Fuel) repairs and maintenance of the vehicle. Diesel upto ceiling of 300 liters per month or actual whichever is less and for repairs and maintenance of vehicle, a maximum amount of Rs. 50,000/- per year or actual cost whichever is less. (Not applicable to Kadamba Transport Corporation Ltd.) shall be sanctioned by Director of Social Welfare

(8) An amount of Rs. 50,000/- per annum or actual whichever is less shall be provided for yearly insurance and tax to be paid by Institution. Director of Social Welfare shall release the amount directly to the authorities concerned. (Not applicable to Kadamba Transport Corporation Ltd.).

8 Other Terms and Conditions.— (1) The Grant of Financial Assistance under the Scheme cannot be claimed as a matter of right.

(2) The buses purchased under this Scheme by Kadamba Transport Corporation Ltd., shall be maintained properly by the Corporation.

(3) The Grantee institution shall maintain a separate account in respect of the grants released under this Scheme. The accounts shall remain open for inspection to the Director of Social Welfare or his representative as and when required.

(4) For misrepresentation of any facts, the Committee reserves the right to accept or reject the application.

9 Interpretation and Relaxation.— (1) The Director of Social Welfare shall be the final authority concerning the interpretation of this Scheme.

(2) The Government may relax any of the provision of this Scheme.

By order and in the name of the Governor of Goa.

N. B. Narvekar, Director of Social Welfare & Joint Secretary (Social Welfare).

Panaji, 15th July, 2009.
